THE FACULTY

The names of the members of the faculty and other employees are arranged in alphabetical order

ARMSTRONG, HELEN J., B.S.....Secretary to the President

Carnegie Institute of Technology, B.S., 1932.
Clarion State Teachers College, 1933—

HELEN M. BARTON, A.M.....Physical Education

Graduate, Michigan State Teachers College, 1918; University of Wisconsin, B.S., 1922; Columbia University, A.M., 1927.
Teacher of Physical Education, Grand Rapids, Mich., 1918-19; Physical Education, Y. W. C. A., Saginaw, Mich., 1919-20; Sports Director and Dancing Instructor, Central Michigan Teachers College, Mt. Pleasant, 1922-26; N. W. Missouri State Teachers College, Maryville, Mo., 1928-29; Clarion State Teachers College, 1929—

CHARLES F. BECKER, A.M.....Education

Mt. Union College, A.B., 1908; Teachers College, Columbia University, Summer Sessions, 1911, '13, '14, '16, '17, '28; A.M. 1917.
Rural School Teacher, Trumbull County, Ohio, 1899-1904; High School Principal, Newton Falls, Ohio, 1904-06; Supt. of Schools, Mantua, Ohio, 1908-11; Ellwood City, Pa., 1911-24; Clarion State Teachers College, 1924—

MARGARET A. BOYD, A.M.....English

Bethany College, Bethany, W. Va., 1914-16; University of Pittsburgh, A.B., 1919-21; A.M., 1924-25, 1929; Oxford University, Oxford, England, Summer, 1926; Carnegie Institute of Technology, Summer, 1929; University of Wisconsin, Summer, 1934.
Elementary Teacher, 1916-19; Teacher of English, Vandergrift, 1921-24; Head of the English Department, Bloomsburg High School, Bloomsburg, 1925-27; Munhall, 1927-29; Clarion State Teachers College, 1929—

CLAIR E. CAREY, A.M.....Mathematics

Edinboro State Normal School, 1920 and 1921 summer sessions; Houghton College, A.B., 1926; Harvard University, 1927, 28, 29, 30 summer sessions, A.M., 1932; University of Pittsburgh, Extension, 1934-35.
Principal, Clarksville Public School, 1920-21; Principal, Barnes Public School, 1921-22; Head of Department of Mathematics, Punxsutawney Public Schools, 1926-35; Clarion State Teachers College, 1935—

RENA M. CARLSON, A.B., B.S.....Librarian

Greenville College, Greenville, Illinois, A.B., 1921; University of Michigan, Summer Sessions, 1923, 1935; Graduate, Carnegie Library School, Pittsburgh, 1925; University of Southern California, 1934.
High School Teacher, Frederica, Del., 1921-22; Mt. Jewett, 1922-23; Youngsville, 1923-24; Librarian, High School for Girls, Reading, 1925-27; Senior High School, Reading, 1927-28; Wagner Junior High School, Philadelphia, 1928-29; Clarion State Teachers College, 1929—

CLARENCE L. DOW, Ph.D.....Geography

University of Nebraska, A.B., A.M., Ph.D., 1919-27; University of Illinois, 1931-32; University of Nebraska, 1927-31, 1932-33; Kansas Teachers College, Summer Sessions, 1915-16; University of Illinois, Summer Session, 1925.
High School Principal, Miltonville, Kansas, 1915-18; High School Teacher, University Place, Nebraska, 1919-21; Fremont, Nebraska, 1921-23; Lincoln Nebraska, 1923-25; Assistant Instructor, University of Nebraska, 1930-31; Assistant Instructor, University of Illinois, 1931-32; Instructor, State Teachers College, Emporia, Kansas, Summer Sessions, 1930-31-32; Clarion State Teachers College, 1933—

FRANCES EASLEY, A.M.....Primary Grades

Graduate, Middle Tennessee State Teachers College, Murfreesboro, Tenn., 1921-23; George Peabody College, Nashville, Tenn., B.S., 1924-26; George Peabody College, A.M., 1930, Summer Session, 1934.
Elementary Teacher, Trenton, Ky., 1923; Horse Cave, Ky., 1923; Greenville, S. C., 1926-27; Old Hickory, Tenn., 1927-30; Supervisor, State Teachers College, Jacksonville, Alabama, 1930-32; Supervisor, Clarion State Teachers College, 1932—

MARILLA E. EDMISTON, R.N.....Nurse

Clearfield Memorial Hospital, School of Nursing, R.N., 1928; Pittsburgh Public Health Nursing Association, 1931; Pennsylvania State College, Summer Session, 1932.
Private Duty, 1928-1932; Clarion State Teachers College, 1932—

MILDRED E. GAMBLE, A.M......Intermediate Grades

Graduate, Indiana State Teachers College, 1915; University of Pittsburgh, A.B., 1922-25; Teachers College, Columbia University, Summer Sessions, 1928, '29, '30, '31; A.M., 1931.

Elementary Teacher, Bentleyville, 1915-19; Charleroi, 1919-22; Instructor, Slippery Rock State Teachers College, Summer Session, 1925; Supervisor, Clarion State Teachers College, 1925—

ANNA B. GRAHAM, B.S......J. H. S. Grades

Graduate, Clarion State Teachers College, 1894; University of Pennsylvania, 1910-11; Chautauqua Institute, Summer, 1922; New York University, Summer Session, 1923; Clarion State Teachers College, Summer Session, 1925; (one semester), 1926; B.S., Clarion State Teachers College, 1932.

Elementary and High School Teacher, Shippensburg, 1894-95; Clarion 1895-1915; Junior High School Teacher, Clarion, 1921-23; Supervisor, Clarion State Teachers College, 1923—

RALPH E. HEIGES, Ph.D......Social Studies

Graduate, Shippensburg State Teachers College, 1923; Ursinus College, A.B., 1925; Columbia University, A.M., 1928; Ph.D., 1933.

High School Teacher, Royersford, 1925-1927; Professor, Findlay College, Findlay, Ohio, 1929-1934; Instructor, State Teachers College, Shippensburg, Summer Sessions, 1927 and 1933; Clarion State Teachers College, 1934—

EFFIE BLANCHE HEPLER, A.B......Primary Grades

Graduate, Clarion State Teachers College, 1923; Teachers College, Columbia University, Summer Session, 1925; Extension Courses, Clarion State Teachers College, 1926-28; Bucknell University, Summer Sessions, 1926, '28; Clarion State Teachers College, Summer Session, 1929; Geneva College, A.B., 1930-31.

Rural School Teacher, Clarion County, 1900-05; Elementary Teacher, New Bethlehem, 1905-21; Supervisor, Clarion State Teachers College, 1921—

CHARLES F. HOBAN, Ph.D......Education

Dickinson College, Ph.B., 1929; Duke University, A.M., 1931, Ph.D., 1935.

Duke University, Graduate Assistant, 1930-31, 1934-35, 1935 Summer Session; Edison Junior High School, Harrisburg, 1931-32; John Harris High School, Harrisburg, 1932-34; Clarion State Teachers College, 1935—

GILBERT A. HOYT, M.S......J. H. S. Grades

Grove City College, B.S., Ch.E., 1921-25; University of Pittsburgh, one semester, 1925; Graduate Work, Grove City College, 1927-29; M.S., Grove City College, 1930.

High School Teacher, Woodlawn, 1925-26; Grove City, 1920-29; Clarion State Teachers College, 1929—

BERTHA LEIFESTE, A.M......Primary Grades

Southwest Texas State Teachers College, San Marcos, Texas, B.A., 1927-30; Teachers College, Columbia University, A.M., 1931-32.

Elementary Teacher, Bastrop County, Texas, 1917-20; Guadalupe, Texas, 1920-27; Critic Teacher Training School, Hays, Texas, 1930-31; Instructor, Teachers College, Hays, Texas, Summer Session, 1932; Supervisor, Clarion State Teachers College, 1932—

HARRY S. MANSON, A.M......Science

Graduate, Clarion State Teachers College, 1911; Pennsylvania State College, Summer Session, 1913; Grove City College, B.S., A.M., 1915-26; Cornell University, Summer Session, 1930.

Elementary Teacher, Brady Twp., Clarion County, 1911-12; New Bethlehem, 1912-13; High School Teacher, Clarion, 1913-15; Grove City, 1916-25; Pittsburgh, 1925-26; Teacher of Science, Grove City College, Summer Sessions, 1924, '25, '26; Clarion State Teachers College, 1926—

MARIE MARWICK, A.M......Speech

Michigan State Normal College, B.Ph., 1918; University of Arizona, A.B., 1920; Columbia University, A.M., 1928.

Teacher of English, Bellaire, Mich., 1915-17; Bowling Green, Ohio, 1917-19; Tucson Arizona, 1920-21; South Bend, Ind., 1921-27; Critic Teacher, Bowling Green State Teachers College, Summer Session, 1929; Clarion State Teachers College, 1929—

HELEN MOHNEY, B.S. Intermediate Grades

Graduate, Clarion State Teachers College, 1919; Clarion State Teachers College, Summer Session, 1921; Teachers College, Columbia University, Summer Sessions, 1925, 1935; Western Reserve University, Summer Session, 1927; University of Pittsburgh, B.S., 1928-30.

Elementary Teacher, Clarion County, 1919-20; Clarion, 1920-25; Supervisor, Clarion State Teachers College, 1925-28, 1930—

BERTHA V. NAIR, A.M. English

Westminster College, A.B., 1907-11; University of Pittsburgh, A.M., 1917-18; Harvard University, Summer Session, 1926; University of Wisconsin, Summer Session, 1930.

Assistant Principal and Teacher of English and Latin, Hickory Township High School, Mercer County, 1911-12; Teacher of Latin and English, New Wilmington, 1912-16; Teacher of Latin, University of Pittsburgh, 1916-17; Knoxville High School, Pittsburgh, 1917-18; Clarion State Teachers College, 1918—

DONALD D. PEIRCE, Ph.D. Science

Oberlin College, A.B., 1919-23; University of Illinois, A.M., Ph.D., 1928-31; Clarion State Teachers College, Summer Session, 1923; Pennsylvania State College, Summer Sessions, 1925, '27, '34.

High School Teacher, Ridgway, 1923-28; Clarion State Teachers College, 1932—

GLADYS RICH, A.M. Public School Music

University of Utah, A.B., 1923; New York University, A.M., 1933; New England Conservatory of Music, 1917-1918; New York University, Summer Sessions, 1931-32-33.

Elementary Teacher, Salt Lake City, 1923-24; Ogden, 1924-26; Supervisor, New Castle, 1928-33; Clarion State Teachers College, 1933—

G. C. L. RIEMER, Ph.D., LL.D. Education

Clarion State Teachers College, 1889-92; Bucknell University, 1892-95; A.B., '95, A.M., '96; Harvard University, 1899-1901; A.M., 1900; Berlin and Leipzig Universities, 1903-05; Ph.D., Leipzig, 1905; Columbia University, Summer Sessions, 1920, '21, '27; Bucknell University, LL.D., 1926.

Instructor, Bucknell University, 1895-99; Harvard University, 1899-1901; Professor, Bucknell University, 1901-03. 1905-18; Professor, New York University, Summer Session, 1910; Member of Department of Public Instruction, 1918-23; President, Bloomsburg State Teachers College, 1923-27; President, Clarion State Teachers College, 1928—

BESSIE M. RUNYAN, B.S. J. H. S. Grades

Graduate, State Teachers College, Slippery Rock, 1895; Geneva College, 1916-23; Teachers College, Columbia University, 1915; University of Pittsburgh (two semesters), 1916-26, B.S.; Clarion State Teachers College (one semester), 1926; Clark University (one semester), Correspondence Course, 1927.

Elementary Teacher, Franklin Township, 1892-99; Primary and High School Teacher, Ellwood City, 1899-1924; Supervisor, Clarion State Teachers College, 1924—

HAZEL SANDFORD, A.M. Public School Art

Graduate, State Normal School, Fredonia, N. Y., 1914-15; Cornell University, B.S., 1918-22; Teachers College, Columbia University (three semesters), 1922-24; Carnegie Institute of Technology (one semester), 1926; New York School of Fine Arts, Summer Session, 1927; New York University, Summer Sessions, 1928, '29, A.M., 1930.

Elementary Teacher, Sherman, N. Y., 1913-14; Angola, N. Y., 1915-18; Roslyn, N. Y., 1923-24; Junior High School Teacher, S. Orange, N. J., 1924-26; Supervisor of Elementary Art and Teacher of Normal Art, McKeesport, 1926-27; Clarion State Teachers College, 1927—

SARA SEYLER Dietitian

Graduate, Worcester Domestic Science School, Worcester, Mass., 1917.

Dietitian, Hospital, Clearfield, 1918-20; Clarion State Teachers College, 1920-22; Sanitarium, Warrensville, Ohio, 1924-27; Clarion State Teachers College, 1927—

HELEN D. SIMS, A.M. Latin

Graduate, Central Missouri State Teachers College, 1916; University of Minnesota, A.B., 1918; University of Minnesota, A.M., 1927; Chicago University, 1927-28.

Principal and Teacher of Latin, Harlowtown, Montana, 1918-21; Dean of Women, Instructor in Latin, Central College, Lexington, Missouri, 1921-22; Instructor in Latin and English, Hamline University, 1924-26; Dean and Instructor in Latin, Glendale College, Glendale, Ohio, 1928; Clarion State Teachers College, 1929—

Entrance to College Campus

WALDO SAMUEL TIPPIN, A.M......Physical Education

Kansas State College, 1918-19; Geneva College, B.S., 1919-22; University of Michigan, 1926; Columbia University, A.M., 1934.

High School Teacher, Rochester, Pennsylvania, 1922-25; Director of Physical Education, Meadville, Pennsylvania, 1925-32; Director of Physical Education in Cussewago Camp for Boys, Edinboro, Pennsylvania, 1927 and 1928 summers; Assistant Professor of Physical Education, Allegheny College, Meadville, Pennsylvania, 1932-35; Clarion State Teachers College, 1935—

PURPOSES OF THE COLLEGE

The State Teachers College at Clarion, Pennsylvania, is a professional institution. Its purpose is the preparation of teachers for the public schools of Pennsylvania. To this end all its energy is directed. It enrolls only those who desire to become teachers and who are fitted by character, native ability, and personality to teach children. The courses offered are designed to give the general and specific knowledge and skills which are needed by public school teachers. The class work and social life of the college aim to develop responsibility, poise, assurance, and independence. A well-trained teaching staff seeks to inculcate high ideals of teaching and strives to evolve a sound philosophy of education as well as a thorough familiarity with the best public school practice. Through demonstration and practice teaching in the Training School, the student develops skill, furthermore, in applying approved educational theory to actual teaching situations.

HISTORICAL SKETCH

By an Act of the Pennsylvania State Legislature of the year 1886, the Counties of Clarion, Forest, Jefferson, McKean, and Warren were separated from the Eighth Normal School District and constituted as the Thirteenth Normal School District. Steps were at once taken to organize a normal school. Contributions and pledges of money, amounting to forty thousand dollars, were obtained for the purpose of securing a suitable site and erecting the necessary buildings. This amount was supplemented by a legislative appropriation of twenty-five thousand dollars. The grounds and buildings, which had belonged to Carrier Seminary, were purchased from the Erie Conference of the Methodist Episcopal Church; additional land, adjoining the original purchase, was obtained, and in the Fall of 1886, work was begun on the erection of two commodious dormitories. These buildings were completed before the middle of February of the following year. A committee, representing the State, officially approved the provisions thus made for carrying on the work of a normal school, and the institution was formally opened on the twelfth day of April, 1887. The school continued under the joint control of the State and its stockholders until December 8, 1915, when the State purchased the outstanding stock and formally took over the property in the name of the Commonwealth.

In 1928, Clarion was granted authority by the State Council of Education to confer degrees upon students satisfactorily completing the new four-year curricula. The degree to be conferred is Bachelor of Science in Education.

The name of the institution was changed from State Normal School to State Teachers College on May 28, 1929.

LOCATION

The College is situated in Clarion, Clarion County, one of the most beautiful spots among the hills of Western Pennsylvania. The town has a population of about 3,200 and is one of the most attractive towns in the State. Its streets are wide and shaded with magnificent trees; its lawns are beautiful; its air is clear and invigorating; its surroundings are pleasant and health-giving. It is situated upon a plateau overlooking the Clarion River. The College lies upon a slight elevation in the eastern part of the town.

Clarion is located on the Lakes-to-Sea Highway. Thus it is connected by improved roads with Franklin, Oil City, Brookville, Reynoldsville, DuBois, Clearfield, and Tyrone. Improved roads are also completed to Pittsburgh by way of Kittanning or East Brady and Butler, as well as to Ridgway, Kane, Warren, Smethport, and Port Allegheny.

Motor busses operate over the Lakes-to-Sea Highway between Franklin and Clarion and between Clarion, Brookville, and points to the East. A bus line also operates between Butler and Clarion, as well as between Kittanning and Clarion, and connections are made by these lines from all points west.

Clarion may also be reached by the Baltimore & Ohio Railroad, via Clarion Junction, and by the Pennsylvania Railroad via Summerville.

CAMPUS AND BUILDINGS

The Campus of the State Teachers College at Clarion occupies twenty-three acres. The grounds have been laid out with care and furnish a beautiful setting for the buildings which comprise the college plant. The wide lawns with their beautiful shade trees and flowering shrubs give the College a restful, home-like appearance and provide attractive surroundings for study.

All the buildings of the College are heated by steam, lighted by electricity, and supplied with all conveniences of modern living.

Seminary Hall, built in 1871, is a large three-story brick building, originally occupied by Carrier Seminary. Here are to be found the administrative offices, post office, library, large class rooms, and, on the third floor, a dormitory for men, accommodating forty students.

Music Hall, a two-story brick building, erected in 1890, provides, on the first floor, a studio, practice rooms, and instruction rooms for the music department. On this floor are also located the finely appointed rooms of the College players, which serve, too, as a meeting place for the Young Men's Christian Association. The president's home is on the second floor of this building.

The Heating Plant, built in 1893, is a two-story brick building. Its boilers on the first floor have a capacity of four hundred fifty horsepower and provides adequately for the heating of all buildings as well as for a supply of hot water throughout the dormitories. The college laundry occupies the second floor.

Founders Hall, is a three-story brick structure providing rooms for laboratories, shops, the business offices, and the book store.

The third floor has been completely remodeled and fitted up as a dormitory for men. The students' rooms have been redecorated and refurnished. Shower baths have been installed, and the corridor converted into a large comfortable lounge.

The building, built in 1894, was named Founders Hall, on April 12, 1930, in memory of the founders of the College.

The Chapel, erected in 1902, is an attractive stone building with a seating capacity of five hundred. The stage has been completely refurnished and provided with a complete stage equipment for the use of dramatic organizations.

J. George Becht Hall, the dormitory for young women, is one of the finest and most up-to-date college buildings in the State. It is of the modern Spanish type of architecture, is constructed of stone, brick, concrete, and iron, and has a tile roof. On the upper floors are found accommodations for

teachers and students, with a parlor and trunk rooms on each floor. The students' rooms are neatly furnished, and have stationary washstands, supplied with hot and cold water. Bathrooms with shower and plunge baths are found on each floor. Two very attractive hair-dressing and pressing rooms have been installed, each equipped with tile floor and plate glass mirrors. Electric outlets and irons are provided for the use of students. An elevator in the rear of the building provides for the easy handling of trunks and heavy baggage. On the first floor are found parlors, offices, a dining hall with a seating capacity of four hundred fifty, a conservatory, two social rooms, the kitchen, pantry, bakery, etc., as well as the living apartments for the dietitian. The building was built in 1908.

The Thaddeus Stevens Demonstration School, erected between November 23, 1928, and November 30, 1929, is built of brick, tile, concrete, and steel, and contains accommodations for the first six grades of the public school. Grades one, two, and three are located on the first floor; grades four, five, and six, on the second floor. On the first floor are found, too, a demonstration room and offices as well as a room for teachers; on the second floor are located, also, rooms for health, visual education, reading, etc.

The Board of Trustees of the College moved to name the building **The Thaddeus Stevens Training School**, influenced by what Thaddeus Stevens had done for the public school act of 1834.

The Harvey Gymnasium, erected during the college year 1930-31, was ready for the use of students by the opening of the second semester of 1931-32. It was named after the late Honorable F. L. Harvey, Chairman of the Board of Trustees from 1919 to 1932.

The Library is located on the first floor of Seminary Hall. In its reading room are found the reference books, 175 magazines and some of the outstanding newspapers. There are over 17,500 volumes in the library and new books are added each year. The seating capacity of the library is 108. The students are urged to become familiar with the library and its resources early in the year and to use it not only for reference and supplementary reading, but for recreational reading as well.

Freshmen find the ten lessons in Library Science given in English Activities valuable in becoming acquainted with the library. The librarian talks briefly to student teachers in the elementary and secondary fields about the library books of particular use to them. The students are urged to ask for further assistance in using the library and for guidance in selecting books.

The library is open every day from 7:50 A. M. to 5:00 P. M. except Saturday when it closes at noon; it is not open on Sunday. The hours in the evening are 7:00 to 8:30 on Monday, Tuesday, Wednesday, Thursday, and Friday.

The library in the Thaddeus Stevens School contains an excellent collection of books for children as well as a museum in which are found many articles to be borrowed for class use.

The college library renders special service to rural teachers in letting them borrow two box libraries a year; each box contains about forty books.

The Science Laboratories. The laboratory for the biological sciences and the laboratory for the physical sciences are both located on the second floor of Founders Hall. Each one is well equipped with new, modern apparatus and other facilities for adequately teaching biology, nature study, zoology, physics, and chemistry.

The Geography Laboratory. The laboratory for the teaching of geography consists of two large rooms and is to be found on the first floor of Founders Hall. It is well provided with recent maps, charts, slides, geological specimens, tables, and other appliances.

Health Service. The teachers of health and physical education of the College are charged with its activities in the field of health education and athletics. The resident medical service consists of the college physician, a graduate nurse, and a well-equipped infirmary.

Cultural and Recreational Opportunities. Tennis courts, the college athletic field, the hills, valleys, and streams about the College care for the outdoor interests of the students. Being located over one thousand five hundred feet above sea level, Clarion rarely experiences spells of excessively hot weather. In addition to its outdoor activities the College provides a variety of lectures and entertainments

by noted men and women as well as by groups of students. One of the brightest spots in the lives of the students of each successive year has been the annual college picnic in Cook Forest. The picnic for the fall of 1936 will be no exception to the picnics of the past.

STUDENT ACTIVITIES

A Student Activity Fee is determined, collected, and administered under the direction of the Board of Trustees by Clarion Student Co-operative Association. This fee, amounting to \$10.00 each semester during the year 1936-37, will cover the cost of student activities in athletics, lectures, entertainments, student publications, and the like. Check for this amount must be drawn to the *Clarion Student Co-operative Association*, not the Commonwealth of Pennsylvania.

REGULATIONS REGARDING CHARGES AT STATE TEACHERS COLLEGES

At a meeting of the Board of Presidents it was recommended that the charges of the State Teachers Colleges of the Commonwealth be uniform. This recommendation was subsequently approved by the several Boards of Trustees and the Superintendent of Public Instruction.

The regulations regarding the charges are as follows:

1. A Contingent Fee, amounting to seventy-two dollars for the regular year of thirty-six weeks or thirty-six dollars for each semester of eighteen weeks, shall be charged to cover registration and keeping of records of students, library, student welfare, health service (other than extra nurse and quarantine), and laboratory facilities. Check for this amount must be drawn to the *Commonwealth of Pennsylvania*.

For each semester hour of off-campus instruction the charge shall be five dollars for registration and record keeping. The same regulation applies to students carrying less than seven semester hours.

2. For board, furnished room, heat, light, and limited laundry the charge shall be sixty-three dollars during each half semester, and forty-two dollars during the summer session. An additional nine dollars may be charged to

each student during each semester for rooms with running water, or three dollars for the summer session. At the discretion of the president of the college, an additional thirty-six dollars may be charged each semester to a student occupying a double room alone, or twelve dollars for the summer session.

No reduction shall be allowed for laundry done at home, nor for absence of a few days from college.

The rate for transient meals shall be breakfast, \$.30, lunch \$.40, and dinner \$.50.

3. For damage, breakage, loss, or delayed return of college property the charge shall be equal to the extent of the damage.
4. An additional charge of one dollar shall be made for each day beyond three days in the regular college infirmary. This charge is not to cover special nursing and medical service.

There shall be a charge of two dollars a day to day-students, admitted to the regular college infirmary under the regulations of the college, to cover board, the nursing, and the medical service regularly furnished to students by the college.

5. To cover the cost of instruction, a charge of one hundred five dollars shall be made during each semester to young men or women whose residence lies outside the State.

During the summer session this charge shall be thirty-five dollars.

6. There shall be a charge of five dollars to a graduate from a four-year curriculum to cover the cost of executing his diploma.
7. A deposit of \$10 shall be made by prospective dormitory students when they request advance room reservations. This is a guarantee of the intention of the student to enter college for the term or semester designated. It will be deposited with the Revenue Department to the credit of the student's Contingent Fee, unless three weeks prior to the opening of the term or semester the student has notified the college authorities of his inabil-

PRELIMINARY ENROLLMENT BLANK FOR PROSPECTIVE STUDENTS

Kindly answer the following questions, and mail this blank to the President. It will aid in finding a room-mate for you and in attending to other important matters.

1. Name
First Name Middle Name Last Name

2. Home Address

3. Of what approved four-year high school are you (or will be) a graduate?

4. When do you expect to enter?.....

5. Do you want a room reserved in the dormitories?.....

All students not commuting from home or living with parents must have permission from the college President to live out of the dormitories. When the dormitories are not filled, students must live on the campus.

6. Have you enclosed with this form, your check for \$10.00 (reservation deposit)?

7. Shall we send you necessary entrance blanks for admission, required by the Department of Public Instruction of all persons who now enter State Teachers Colleges?.....

8. Date on which you made this application.....

ity to enter, in which case it will be repaid to him. If notice is not thus given, the deposit cannot be returned.

Check for this amount must be drawn to the *Commonwealth of Pennsylvania*.

8. Day students desiring to reserve advance enrollment shall deposit \$10. This is a guarantee of the intention of the student to enter college for the term or semester designated. It will be deposited with the Revenue Department to the credit of the student's Contingent Fee, unless prior to that time the student has notified the college authorities of his inability to enter, in which case it will be repaid to him. If notice is not thus given, the deposit cannot be returned.

Check for this amount must be drawn to the *Commonwealth of Pennsylvania*.

9. A charge of one dollar shall be made to cover the second or subsequent transcript of records.
10. No student shall be allowed to enroll, graduate, or receive transcript of record against whom there are any previous charges.
11. According to the regulations of the Revenue Department, all charges shall be paid in advance. It is, therefore, not in the power of the authorities of the college to allow any extension or postponement of payments.

REGULATIONS REGARDING REPAYMENTS

Upon the recommendation of the Board of Presidents of the State Teachers Colleges of the Commonwealth, which was approved by the Superintendent of Public Instruction and the Boards of Trustees of the State Teachers Colleges, the following regulations regarding repayments of funds were adopted:

1. Repayment of funds shall not be allowed for temporary or indefinite suspension or dismissal, nor for voluntary withdrawal from college except as provided for below.
2. There shall be no repayment for any part of the Student Activity Fee for any cause whatsoever.

3. Repayment of funds shall be allowed for personal illness, certified to by an attending physician; and for such other reasons as may be approved by the Board of Trustees. In such cases the repayment shall be the amount chargeable for that part of the semester which the student does not spend in college.
4. There shall be a repayment of the reservation deposit, provided the student notifies the Business Office of his desire to withdraw from enrollment not later than three weeks before the opening of the college session.

SUMMARY OF COLLEGE CHARGES

Dormitory Students	Total for Year	Each Semester	Half Semester
Contingent Fee	\$ 72.00	\$ 36.00	\$18.00
Board, Furnished Room, Heat, Light and Laundry.	252.00	126.00	63.00
Total	\$324.00	\$162.00	\$81.00

Day Students

Contingent Fee	\$ 72.00	\$ 36.00	\$18.00
Total	\$ 72.00	\$ 36.00	\$18.00

The charges for the semester may be made in two payments.

Drawing of Checks

Students should draw their checks for these charges, to the exact amount of the bill or charge, to the *Commonwealth of Pennsylvania*.

Board and Room. The dining room is located in Becht Hall. The kitchen and bakery are provided with the most modern equipment and are kept in excellent condition. A graduate dietitian and a competent corps of trained and experienced persons provide the best quality of food, well-cooked, properly seasoned, and served attractively.

In the dormitories the College provides single beds with mattresses and bedding, in addition to all necessary furniture; but students are expected to furnish their own sheets, pillow cases, towels, and toilet articles. Halls and rooms have been redecorated. The rooms in Becht Hall have washstands with hot and cold running water.

Each room is equipped for two students, and contains a large wardrobe, two couch beds, two study tables, a dresser, three chairs, and a large rug or three small rugs.

Uniforms for Physical Education Class. The College requires a regulation uniform for all women taking physical education. These suits are purchasable only by arrangement with the physical education department. Therefore, students may save themselves unnecessary expense by waiting until they are informed about suits before buying them elsewhere, as other uniforms will not be acceptable.

Notice of Withdrawal. Students leaving college must notify the President of their withdrawal. Regular charges will be made until such notice is received.

Living Outside Dormitories. No student will be permitted to room or board outside the dormitories except in the homes of parents, or other near relative.

Guests. Arrangements for room guests at Becht Hall and Science Hall must be approved by the Dean of Women and the Dean of Men, respectively.

Guest rates in the College dining room, payable to the dietitian, are as follows: breakfast, 30 cents; luncheon, 40 cents; dinner, 50 cents.

Help for Worthy Students. The College desires to encourage self-supporting students, but it cannot promise sufficient work to any student to defray his full expenses. Students who are employed by the College are paid in cash for their services. Preference in employment is given on the basis of merit. Students entering the College for the first time cannot hope to secure employment unless they make application in person.

The Colegrove Memorial Scholarship. Mr. W. H. Colegrove, of Eldred, Pa., has established a scholarship in memory of his daughter, Mary, of the Class of 1917. The scholarship amounts to \$100.00 and is awarded to a worthy student from McKean County. During the year 1935-36 it has been awarded to Betty Dunne, Bradford, Pa.

State Scholarships. Holders of State Scholarships may attend State Teachers Colleges provided they take courses leading to the degree of Bachelor of Science in Education.

There are five holders of such scholarships at the College during the year 1935-36: Pauline Smith, of the Class of 1936, of Clarion County; Isabel Crawford, of the Class of 1936, of Venango County, and Phyllis Giles, of the Class of 1936, of Warren County.

Funds for Worthy Students. The Alumni Association is sponsoring a permanent fund to be known as the Clarion State Teachers College Student Loan Fund. It has empowered the Citizens Trust Company, of Clarion, to place this fund on interest, at four per cent, and to make loans out of it according to recommendations by a board of trustees, consisting of the Chairman of the Board of Trustees, the President, some other member of the Faculty, and two alumni of the College. The limit of any loan to a member of the Senior Class shall be one hundred fifty dollars payable two years after date of loan with interest at 6%. The interest shall be charged from date of Commencement following the loan.

The Loan Fund of the Clarion County Chapter of the D. A. R. The Clarion County Chapter of the D. A. R. has established a loan fund, amounting now to two hundred dollars, to be loaned to students from Clarion County and administered in the same way as the Alumni Loan Fund.

The Lorena Given Memorial Fund. In memory of Lorena Given, former teacher at the College, a loan fund, amounting now to one hundred dollars, has been established, to be administered in the same way as the Alumni Loan Fund.

The J. George Becht Memorial Loan Fund. In memory of J. George Becht, former principal of the College, a loan fund, now amounting to one hundred dollars, has been established, to be administered in the same way as the Alumni Loan Fund.

The Junior Section of the Clarion Woman's Club Loan Fund. The Junior Section of the Woman's Club of Clarion has established a loan fund, amounting to fifty dollars, to be loaned to students from Clarion County.

The Clarion Woman's Club Loan Fund. The Clarion Woman's Club has established a loan fund, amounting at

present to one hundred dollars, to be loaned to students from Clarion County.

The Lambda Chi Delta Loan Fund. The Lambda Chi Delta sorority has established a loan fund, amounting to fifty dollars, to be loaned to students of the College.

Dr. Custer B. Long, of the Class of 1912, and **Mrs. Gladys Beckett Long**, of the Classes of 1919 and 1929, of Clarion, have established a loan fund amounting to six hundred forty dollars, to be loaned to four worthy freshmen of four successive classes. The students must be members of some four-year class.

REQUIREMENTS FOR ADMISSION AND GRADUATION

The following principles recommended by the Board of Presidents of the State Teachers Colleges and approved by the Superintendent of Public Instruction will control admission to the State Teachers Colleges of the Commonwealth, and become effective for the school year beginning September, 1933:

1. General scholarship as evidenced by graduation from an approved four-year high school or institution of equivalent grade as determined by the Credentials Division of the Department of Public Instruction and ranking in the upper half of the class at graduation. Candidates for admission who lack this rank at graduation will be required to present further evidence of fitness for admission as prescribed in the detailed standards for admission.
2. Integrity and appropriate personality as shown by an estimate by secondary school officials of the candidates' trustworthiness, honesty, truthfulness, initiative, industry, social adaptability, personal appearance and sympathy.
3. Health, physical vigor, emotional stability, absence of physical defects that would interfere with the successful performance of the duties of a teacher and absence of predisposition toward ill health as determined by a medical examination at the college. Specific standards will be set up in the detailed requirements for admission.

4. Normal intelligence and satisfactory command of English as evidenced by ratings in standard tests. The tests to be used will be prescribed each year by the Board of Presidents and will be uniform for all state teachers colleges.
5. A personal interview with particular attention to personality, speech habits, social presence, expressed interests of the applicant, and promise of professional development.

In addition to the above requirements the applicant must fulfill the following conditions:

1. An applicant for admission must obtain from the College the necessary forms and have them filed in the College office on or before July 15.
2. The applicant must have been interviewed by a committee of the faculty on one of the following days between 9:00 A. M. and 4:00 P. M.; May 14, June 2, July 9, or July 10.

Entrance to the College at Clarion will be based on the fulfillment of the above conditions, and all data must be in the hands of the College before August 15.

Advanced Credit. Advanced credit will be given for equivalent courses in approved institutions of collegiate grade. No student may, however, obtain a Certificate without a minimum residence of one year.

Extra-Curricular Activities. All students are required to participate in one extra-curricular activity during one semester each year.

Quarterly Reports. For the purpose of reporting the progress of students, each semester is divided into halves. At the end of the first nine weeks, each teacher submits to the Dean of Instruction a report for each student enrolled in his classes, showing the standing of the students at the date of the report. These reports are sent to the students and to their parents or guardians. Parents who do not receive such reports, should notify the Dean of Instruction. A duplicate copy of the report will then be sent. At the end of the semester a permanent report is recorded for each student, a copy of which is sent to the students and parents or guardians.

Meadow Brook Farm
First Grade
Thaddeus Stevens Training School

SCHOLARSHIP REQUIREMENTS

Students whose failures in any semester or year amount to six or more semester hours, shall not take all the regular work of the following semester or year. It is recommended that such students attend the summer session to make up deficiencies.

Students shall not do student teaching unless they have passed in English (1) and (2), nor shall students whose recorded or reported failures amount to six or more semester hours, do such teaching.

To be eligible for inter-collegiate games, students must have secured passing grades in at least thirteen semester hours of work during the quarter, that is, during the nine weeks, preceding each respective sport.

PROGRAM OF STUDIES

Four four-year curricula are offered by all the Pennsylvania State Teachers Colleges. These curricula are organized on the principle that teaching in the public schools can be classified into sufficient definite types to require specialization. Each curriculum, accordingly is so organized as to prepare prospective teachers for specific types of teaching.

Young men and women of health, character, and ability should take the work of these curricula. It will prepare them for positions of responsibility in the grades, in the field of supervision, or in the training of teachers. The completion of a curriculum entitles the student to the degree of Bachelor of Science in Education.

FOUR-YEAR CURRICULA

- I. Four-Year Kindergarten-Primary—for teachers of Grades 1, 2, and 3.
- II. Four-Year Intermediate—for teachers of Grades 4, 5, and 6.
- III. Four-Year Rural—for teachers of Rural Schools.
- IV. Four-Year Junior or Senior High School—for teachers of the Junior or Senior High School.

In the elementary curricula the work of the first year is the same for all students. A large purpose of the work of the first semester is to acquaint students with the requirements for successful teaching in the different grades so that they may be able to decide intelligently in what grade or grades they prefer to teach.

At the end of the first year students who plan to be in the college for two years only are asked to make their choice of Kindergarten-Primary or Intermediate curriculum for the purpose of specializing in a specific field of teaching. It is during the third semester that a student makes the slight differentiation in these two curricula, and also determines whether he wishes to receive a certificate at the end of two years or to continue for graduation in a four-year curriculum.

Students who select the secondary curriculum will find that the first semester is identical with the same semester in the elementary curricula. It will, therefore, be possible for a student to change his preference as regards specialization as late as the beginning of the second semester without loss of time.

State Standard Limited Certificate

Upon the completion of the first four semesters of any one of the three curricula in the elementary field, a student may obtain a State Standard Limited Certificate which will qualify him to teach in the elementary grades of the public schools of the State. In order to do so he must omit American Government and Literature I of the third and fourth semesters and secure instead six semester hours of practice teaching. Such a student may at any time return to college and complete the four-year curriculum without loss of time. The State Standard Limited Certificate is valid for three years and renewable on the basis of twelve credits or semester hours.

THREE ADVANCED TWO-YEAR CURRICULA FOR NORMAL SCHOOL CERTIFICATE HOLDERS LEADING TO DEGREE OF B.S. IN ELEMENTARY EDUCATION

These curricula will appeal to the forward-looking ambitious elementary teacher whose highest professional interest lies in the cultivation of the best ideals of teaching; to the elementary teacher who believes that the children in the elementary grades are deserving of highly trained teachers; to the teacher who hopes to find a larger field of service through the development of her talents in the field of supervision, and to the supervising official who feels the professional need and the advantage of a degree in Education.

All persons who have completed the work of Group I, II, or III (formerly IV), are admitted to third-year standing, provided they have previously completed the work of a four-year high school. All such persons must complete 68 hours of work beyond graduation from Group I, II, or III (formerly IV), as these were organized and administered prior to September 1, 1926.

All credits for work required at a State Normal School for graduation between September, 1920, and September, 1926, shall be evaluated by multiplying the number of semester hours already earned by .85.

The following table applies this ratio to enough typical cases to illustrate the principle:

Former Semester Hours		New Semester Hours
6	— .85 —	5.0
11	— .85 —	9.0
22	— .85 —	19.0
36	— .85 —	31.0
60	— .85 —	51.0

If the decimal is less than .5, it shall be disregarded; if it is .5 or more, it shall count as a unit.

All persons who were graduated from a State Normal School prior to September, 1920, and who have had a four-year high school preparation, cannot be awarded more than 68 semester hours of credit for their normal school work.

Graduates of the State Normal Schools who have not had four years of high school preparation, should apply to the Credentials Bureau, Harrisburg, Pennsylvania, for a high school equivalent certificate, which will be accepted by the State Teachers Colleges as equivalent to graduation from a four-year high school.

No credit for public or private-school teaching experience, previously credited as high school equivalent, or as equivalent professional credit toward graduation, shall be granted or counted toward meeting the requirements for entrance to, or graduation from, the advanced two-year curriculum.

FOUR-YEAR SECONDARY CURRICULUM

Preparation of Teachers for Secondary Field

	First Semester	Class Hours	Semester Hours Credit
Introduction to Teaching (Include Social Guidance on the Campus).....		3	3
English I		3	3

B. Elective Courses.....42 Semester Hours

Students, preparing for teaching in secondary schools, must elect courses amounting to forty-two semester hours. Eighteen semester hours of these elective courses must lie in each of the two fields chosen by the students for specialization. The remaining six semester hours may be chosen from the elective courses offered by the college.

Below are listed the elective courses now offered by the teachers colleges of the Commonwealth.

1. English

The first four courses listed below must be elected by students specializing in English; the remaining six semester hours required for the degree with English as a specialty may be chosen from the remaining four courses:

Phil. and Grammar.....	3	Semester	Hours
Cont. Poetry	3	"	"
Shakespeare	3	"	"
Modern Novel	3	"	"
Short Story	3	"	"
Victorian Prose and Poetry.....	3	"	"
Foreign Classics	3	"	"
Pre-Shakespearean Lit.	3	"	"

2. Foreign Languages

French, German, Spanish, or Latin.....18 Semester Hours

3. Geography

The first four courses listed below must be elected by students specializing in geography; the remaining six semester hours required for the degree with geography as a specialty may be chosen from the remaining four courses.

Geography of U. S. and Canada.....	3	Semester	Hours
Geography of Europe.....	3	"	"
Geography of Latin America.....	3	"	"
Geography of the Pacific Realm.....	3	"	"
Physiography	3	"	"
Economic Geography	3	"	"
Geographic Influences in American Hist.....	3	"	"
Climatology and Meteorology.....	3	"	"

4. Mathematics

Students specializing in mathematics must elect the course in mathematical analysis amounting to fifteen semester hours, and one of the three remaining electives in mathematics.

Mathematical Analysis	15	Semester	Hours
College Algebra	3	"	"
Mathematics in High School.....	3	"	"
Introduction to Theory of Statistics.....	3	"	"

5. Science

Students who specialize in science must elect courses amounting to eighteen semester hours.

For certification in the field of science the first four must be taken; for certification in the field of biological science, Botany I and II, Zoology I and II, Anatomy, and Physiology must be chosen; for certification in the field of physical science the student must elect six sem-

ester hours each of chemistry and physics, as well as six additional semester hours in science; for certification in the field of chemistry eighteen semester hours of chemistry must be chosen.

Botany I	3	Semester	Hours
Zoology I	3	"	"
Chemistry	6	"	"
Physics	6	"	"
Astronomy	3	"	"
Physiography	3	"	"
Physiology	3	"	"
Anatomy	3	"	"
Botany II	3	"	"
Zoology II	3	"	"
Qualitative Analysis	3	"	"
Quantitative Analysis	3	"	"

6. Social Studies

By electing the first four courses mentioned below and six additional semester hours from the remaining four courses the student may secure his degree with social studies as his specialty.

Early European History.....	3	Semester	Hours
Modern European History.....	3	"	"
American History to 1865.....	3	"	"
Social & Industrial History of U. S.....	3	"	"
Political Science	3	"	"
The Origin of Social Institutions.....	3	"	"
History of Latin America.....	3	"	"
Economics	3	"	"

PREREQUISITES FOR THE ELECTIVE FIELDS

To elect Science, a student must present a unit in chemistry and a unit in physics.

To elect Social Studies, a student must present at least two high school units in the social studies.

To elect Mathematics, a student must present three high school units in mathematics, including one unit in algebra and one in plane geometry.

To elect French, Spanish or German, a student must present two high school units in French, Spanish or German.

To elect Latin, a student must present three high school units in Latin.

When a student has chosen his elective field, his curriculum becomes a closed series of courses not subject to change without loss of credit.

ELECTIVES IN ENGLISH

Contemporary Poetry—3 hours per week.....3 Semester Hours

The aim of the course is to recreate life experience as transmitted through poetry; to increase the response to rhythm, rhyme, imagery, and mood; to develop the desire and ability of the prospective teacher to transmit the love of poetry to her pupils; to acquaint students with modern poetry; to develop the students' capacities for artistic enjoyment and creation; to discover the relationship between modern verse and contemporary thought and civilization; to show the development of modern poetry.

Shakespeare—3 hours per week.....3 semester hours

The aim of the course is to acquaint the student briefly with the development of the English drama through the Shakespearean period; to give the student a general knowledge of the Shakespearean theater; to familiarize students with the more important histories, comedies and tragedies of Shakespeare; to arouse in the student such a living enthusiasm for Shakespeare that it may be carried over into high school teaching.

The Modern Novel—3 hours per week.....3 semester hours

The object of the course is to enrich students' literary experiences through wide reading; to offer a brief review of the development of the novel; to acquaint students with recent outstanding novelists; to help the student to recognize and evaluate tendencies in modern fiction; to help the student appreciate to some degree the technique of the novel; to acquaint students with reading lists and methods adapted to raising the level of recreational reading among high school pupils.

Philology and Grammar—3 hours per week.....3 semester hours

The object of the course is to familiarize students with the history and continuing growth of the English language; to furnish a basis for the understanding of the origin of words and their acquired meanings; to engender in the student a desire to make discriminating but unpedantic use of words; to acquaint students with the history of English grammar and its present status in the curriculum; to give a sufficient knowledge of English grammar for a teaching background; to acquaint students with the essentials of functional grammar according to the latest studies in this field; to develop procedures useful in teaching grammar.

The Short Story—3 hours per week.....3 semester hours

The purpose of the course is to study briefly changing conceptions of the short story; to give abundant experience with short stories and their writers; to study the structure of the short story by analysis or by original writing; to enable students to evaluate contemporary fiction; to acquaint students with the wealth of short story material appropriate for the high school; to teach proper methods of teaching the short story.

Pre-Shakespearean Literature—3 hours per week.....3 semester hours

The aim of this course is to give the student an understanding of the development of early English literature and to show the influences of the Anglo-Saxon and Anglo-Norman periods. Special emphasis will be given to the epic, lyrical, and narrative poetry and to the origin of the drama, its stages of development, and early playwrights.

Victorian Prose and Poetry—3 hours per week.....3 semester hours

This course aims to cultivate in the student a richer appreciation of the prose and poetry of the Victorian period and to develop some skill in the critical interpretation of literature. The work consists of wide reading in the literature of the period supplemented by critical and interpretive discussions on the social, religious, and political thought of the period as it was reflected in the work of the chief essayists, novelists, and poets.

Foreign Classics—3 hours per week.....3 semester hours

The purpose of this course is to acquaint the prospective teacher with some of the representative ancient and modern writers whose works have been outstanding in the history and development of European literature.

ELECTIVES IN FOREIGN LANGUAGES

Latin (1) Two Semesters. 3 hours per week.....6 semester hours

Selected readings from Cicero and Virgil avoiding what has already been studied. Along with this work, there is a thorough grounding of the student in the inflections and constructions of Latin. Also, prose composition is included.

Latin (2) Two Semesters. 3 hours per week.....6 semester hours

Selections from the essays of Cicero, Pliny's prose, the Odes and Epodes of Horace, Ovid, Plautus, Terrence.

Latin (3) One Semester. 3 hours per week.....3 semester hours

This course is devoted to Tacitus, Livy, Terrence.

**Latin (4) The Teaching of Latin. One Semester. 3 hours per week
3 semester hours**

This course centers on the sequence of topics in Latin, the mental processes involved in learning Latin, the most successful methods of inducing learning in Latin, the organization and use of objective, historical, and dramatic materials as aids to interest in and learning of Latin.

French (1) Two Semesters. 3 hours per week.....6 semester hours
Contemporary French literature.

French (2) One semester. 3 hours per week.....3 semester hours
The Romantic movement and its literature.

French (3) Two Semesters. 3 hours per week.....6 semester hours
Moliere, Racine, Corneille, with collateral readings on French life of the period.

French (4) The Teaching of Modern Foreign Languages. One Semester. 3 hours per week.....3 semester hours

This course includes the sequence of topics, the mental processes involved in learning a modern foreign language, the most successful methods of teaching a modern foreign language, and the organization and use of objective, historical, and dramatic material as aids to interest in and learning of a modern foreign language.

German (1) Two Semesters. 3 hours per week.....6 semester hours
German literature of the Twentieth Century.

German (2) Two Semesters. 3 hours per week.....6 semester hours
German literature of the Nineteenth Century.

German (3) Two Semesters. 3 hours per week.....6 semester hours
German literature of the Eighteenth and Nineteenth Centuries.

ELECTIVES IN GEOGRAPHY

Economic Geography—3 hours per week.....3 semester hours

The purpose of this course is to familiarize the student with the industrial and commercial life of today as influenced by the physical environment; to aid the student in understanding some of the commercial problems of the world today; to establish an appreciation of the interdependence of regions and nations and the mutual benefits to be derived from co-operation; to promote the feeling of need for conservation of the natural resources; to give the prospective teacher a fund of facts and principles of economic geography that will promote efficiency in the use of geography in the process of education.

The Geography of Europe—3 hours per week.....3 semester hours

This course aims at an acquaintance with the present political map of Europe; a knowledge of the adjustments to the physical environment which the people of the several countries have made; a knowledge of the factors in the remaking of the map of Europe; the geographic interpretation of some of the economic and political problems of the various countries of Europe; possible ways of solving the problems; skill in the selection and organization of material for use in teaching children; an abiding and intelligent interest in the affairs of Europe.

**Geographic Influences in American History—3 hours per week
3 semester hours**

The object of this course is to show what man does is largely determined by the natural conditions found in the place in which he lives; that man by taking advantage of all the factors in his natural environment may hope to improve his own condition and in so doing help to shape the history of his nation; that the geography of the United States has decided to a great extent our economic, social, and political policies from its beginning to the present.

The Geography of Latin America—3 hours per week..3 semester hours

This course aims to aid the student in gaining a knowledge of the adjustments which the various groups of people in Latin America have made to the physical environment; to investigate the potential wealth of Latin America and the possible readjustments to realize that wealth; to emphasize the mutual benefits to be derived from amicable relations between the United States and the various countries of Latin America.

Physiography—3 hours per week.....3 semester hours

The objectives of this course are to create an appreciation of the problems involved in the landscape, both in physical causes and in human responses; to develop thoughtful and scientific study in arriving at the solution of the problems of the landscape; through the habit of scientific observation to promote the enjoyment of travel and of reading. The study of the atmosphere should give a mathematical and meteorological foundation for understanding facts of temperatures and rainfall in various parts of the earth, and to promote an appreciation of the climatic environment in which the various groups of people live.

The Geography of United States and Canada—3 hours per week
3 semester hours

The purpose of this course is to acquaint the student with the adjustments which the people of the United States and Canada have made to various conditions of the natural environment; to show the use and abuse of the resources of these political divisions; to bring a realization of the need for "taking" stock of resources and for practicing conservation; to emphasize the mutual economic benefits to be derived from amicable relations among the different groups of people; to develop the skill of the prospective teacher in the use of the geography of the United States and Canada in the process of education.

Geography of Pacific Realm—3 hours per week.....3 semester hours

Great changes are sweeping over the countries bordering the Pacific Ocean as well as the islands surrounded by its waters. The relative significance of these lands is noted and partly explained in terms of man's relation to his geographic environment. Special emphasis is placed on important areas such as China, Japan, Australia, East Indies, etc.

Climatology and Meteorology—3 hours per week.....3 semester hours

This course consists of the study of the various climates of the world. It emphasizes the causes and effects of climatic conditions in relation to each other as well as their effects upon man.

ELECTIVES IN MATHEMATICS

Mathematical Analysis—5 semesters. 3 hours per week.
15 semester hours

The object of this course is to begin the subject of college mathematics by giving a general view of the purpose of mathematics by showing its usefulness in various fields, including applications of algebra, trigonometry, analytics, and calculus; to unify the subject and eliminate abstract parts from introductory courses; to stimulate reasoning along mathematical lines.

College Algebra—3 hours per week.....3 semester hours

The latter part of elementary algebra is treated, taking up briefly exponents, quadratics, determinants, variation and logarithms. This is followed by a more advanced study of the binomial theorems, permutations, series, variables and limits, and the general theory and properties of equations.

Trigonometry—3 hours per week.....3 semester hours

Definitions of trigonometric functions; solution of triangles; use of logarithms; trigonometric equations and identities; functions of angles in any quadrant; derivation of general formulas.

Introduction to the Theory of Statistics—3 hours per week
3 semester hours

A general course in the elementary theory of statistics with practical application.

Junior and Senior High School Mathematics—3 hours per week
3 semester hours

The aims of this course are to discover the objectives to be secured in arithmetic, algebra, intuitive geometry, trigonometry; to give practice and training in the content of mathematics necessary for the future teachers of high school mathematics; to stress the needs and uses of standard tests in mathematics and to give practice in the use of these tests.

ELECTIVES IN SCIENCE

Descriptive Astronomy—3 hours per week.....3 semester hours

The objectives of this course are the acquisition of knowledge which will lead to an understanding of the forces, materials, phenomena of the earth on which we live, and of the universe; to provide the prospective teacher with a body of knowledge which will be helpful in the courses of nature study, geography, and everyday science; to lead to direct acquaintance with helpful sources of information in this field which will lead to a wise use of leisure time; a grasp of the moral import of the orderliness of nature and the pupil's obligation to adjust himself to her laws.

Botany I—4 hours per week.....3 semester hours

This course is to give the student general information of the world's plant life, emphasizing those facts and principles that will be of greatest value to him as a teacher of the biological subjects taught in the public schools. Methods of collecting and presentation of materials will be stressed throughout the semester. The logical as well as the psychological (seasonal) methods of presentation will be included. World types, distribution, inter-relationships, and economic values will be presented.

Botany II—4 hours per week.....3 semester hours
Continuation of Botany I.

Zoology I—4 hours per week.....3 semester hours

This course aims to give the student general information of the world's animal life, emphasizing those facts and principles that will be of greatest value to him as a teacher of the biological subjects taught in the public schools. Methods of collecting and presentation of material will be stressed throughout the semester. The logical as well as psychological (seasonal) methods of presentation will be included. World types, distribution, inter-relationships, and economic values will be presented.

Emphasis is placed on problems associated with life, protoplasm, and the cell; classification of animals; and finally a study of a series of animal types, ranging from the ameba to the frog.

Zoology II—4 hours per week.....3 semester hours

Emphasis is continued on type forms through the vertebrate group beginning with the frog. The facts thus gained through Zoology I and II will serve to enrich a study of the dynamic aspects of zoology such as behavior, mechanisms, adaptations, evolution, heredity, etc.

Chemistry—2 Semesters—5 hours per week.....6 semester hours

The objectives of this course are the acquaintance of the student with the fundamentals of chemistry and their application to everyday life; to impart sufficient skill and mastery of technique and subject matter to enable the student to teach high school chemistry.

Qualitative Chemistry—1 semester—5 hours per week..3 semester hours

Physics—2 Semesters—4 hours per week.....6 semester hours

The aims of this course are the acquisition of useful information, through study and instruction; the development of the scientific attitude of mind.

ELECTIVES IN SOCIAL STUDIES

American History to 1865—3 hours per week.....3 semester hours

The purpose of this course is to note that the organization of the government of the United States is an evolution of colonial experiences; to remember that compromise and co-operation of the people of the United States have ever been important factors in their development; to understand that orderly procedure has always been supported in government; to realize that the study of American history means the development of an appreciation of good citizenship; to note that as teachers, we need to help the children to have the vision of service, the spirit of responsibility, the desire to participate in every phase of government.

**Social and Industrial History of U. S.—3 hours per week
3 semester hours**

This course aims to know the background of many important questions which are before us today and to trace their evolutionary development; to show the close relationship of social, political, and economic questions which have engaged the nation from 1865 to the present; to follow the attitudes, interpretations, and changes of national conscience and national consciousness.

Early European History—3 hours per week.....3 semester hours

The purpose of this course is to understand the continuity of history; to understand the importance of change and the real meaning of progress; to develop an appreciation of the contributions of the past to modern civilization; to provide a European background for the study of American history.

Modern European History—3 hours per week.....3 semester hours

The object of this course is to introduce the student to some of the problems of contemporary civilization; to give a basis for the understanding and interpretation of contemporary events; to develop a world viewpoint; to prepare the student to explain international affairs of the United States.

Political Science—3 hours per week.....3 semester hours

This course aims to develop an appreciation of the necessity for political organization, man's achievement in political organization, comparative merits and defects of contemporary governments and theories of government, and the nature of

the problem of the international state; to develop an elementary knowledge of the leading theories, principles, facts and problems of political science as a foundation for teaching of the social studies; to develop the habit of constructive scientific thinking about political problems, intelligent reading of current political history, intelligent participation in public and private discussion of political problems.

History of Latin America—3 hours per week.....3 semester hours

The aim of this course is to introduce the student to some of the Latin American problems; to give a basis for the understanding and interpretation of contemporary events; to create a friendly and understanding relationship toward Latin America; to prepare the student to explain international affairs in Latin America; to appreciate the attitude of the United States toward the states to the south of us.

Economics—3 hours per week.....3 semester hours

This course aims to develop an interest and appreciation of economic problems; to study economic problems by causes and effects; to study relationships of buying and selling; to appreciate the importance of foreign trade; to discover problems of tariff, cycles, and allied economic theories.

Origin of Social Institutions—3 hours per week.... 3 semester hours

The aims in this course are to acquaint the student with the relationships between our social institutions; to show the inter-dependence of these institutions; to teach how institutions change as the demand for change arises.

A graduate in this secondary curriculum will be entitled to teach in any public high school of the Commonwealth the subjects in which he has 18 semester hours of credit.

COLLEGE ACTIVITIES NOT INCLUDED IN CURRICULA

The Chapel Exercises are strictly undenominational in character. All students are required to be present unless for some reason expressly excused.

The Young Women's and Young Men's Christian Associations hold weekly meetings on Wednesday evening. The students elect their own officers, and plan and conduct their own meetings. They may freely attend the meetings, and take some part in the exercises.

The Associations hold a joint reception for new students each semester, and, as the officers of the Associations are generally elected from among the members of the higher classes, a spirit of friendly helpfulness has crystalized into a tradition and is continued from year to year. The Associations are affiliated with the national organization of the Young Men's and Young Women's Christian Associations.

In the Sunday Schools, connected with the various evangelical churches in Clarion, classes have been formed especially for college students.

Students are urged to make a choice of one of the churches in the town for regular attendance and to be present at the services in the church so selected at least once each Sunday.

Informal Social Life. In many important respects the Clarion State Teachers College forms a community by itself. The faculty and students associate freely with one another. The students thus enjoy the benefits of frequent intercourse with mature minds outside the class rooms. They are frequently invited by members of the Faculty to their homes, and are made to feel that the teachers have an interest in their welfare beyond the government of the College or the conduct of recitations.

A dean of women and a dean of men devote time to student interests and social life. In fact, the students are surrounded by every possible influence to make life happy, cultured, and worthwhile.

Lectures and Entertainments. For the benefit of the students and the citizens of Clarion, the College provides each year a series of six or more lectures, or instructive

evening entertainments. Special efforts are made to furnish entertainments of a high order of merit in order to contribute to the permanent advantage of the students.

During the year, plays are given by the College Players and entertainments are provided by other organizations, musical and literary. Moving pictures, including educational and feature films, are frequently shown in the Chapel.

Student Senate and Councils. Students are treated as young men and young women and are expected to assume a large share of their own government. They elect their own council and senate representatives. These councils cooperate in the government of the College. A conscious effort is made to have as few rules and restrictions as consistent with the welfare of a large group living together.

This plan of student participation has been very satisfactory. The College does not welcome as students young men or women who will not cheerfully accept and willingly conform to regulations demanded by the best interests of all.

A Cappella Choir is a group of eight young men and eight young women selected from the Men's and Women's Glee Club for special ensemble singing of advanced choral music.

Art Club. It is the aim of the Art Club to satisfy the esthetic sense of its members through the appreciation of the works of great artists as well as through the creation of productions of their own.

Athletics. In addition to the required courses in physical education, men may receive extra-curricula credit for football, field hockey, volley ball, pin ball, basketball, indoor baseball, and tennis.

Every student in the College, man or woman, is encouraged to engage in athletics. Football, basketball, volley ball, baseball, soccer, tennis, track, hockey, hiking, skating, and skiing are popular sports.

The College has six tennis courts on the campus and keeps them in excellent condition. The new athletic field has been made one of the very finest in the State and provides for baseball, football, hockey, soccer, and track and field events.

Athletics are encouraged by the College not only because of the pleasure afforded to young people, but also be-

cause properly regulated athletics have physical, moral, and educational values. Through the physical education courses, students are given the fundamental knowledge of various sports and taught how to coach these sports in the public schools.

Boy Scout Organization. Opportunity for training for leadership in the Boy Scout Movement is given in conjunction with the local Boy Scout Council. A course in scout leadership is offered in this manner each year.

Clarion Call. The Clarion Call records the events in the life of the College. It is edited and published by the students and serves as their organ of expression.

College Players. It is the purpose of the College Players to study the drama, to learn how to produce amateur plays, and to participate in the production of school plays.

Forensics. For many years students of the College interested in debating have joined together and called themselves Forensics. At their bi-weekly meetings they discuss subjects of current interest and debate such questions with teams from neighboring colleges.

Geography Club. It is the purpose of the Geography Club to make home lands more real and to bring distant lands somewhat closer.

Women's Glee Club. The Women's Glee Club is an organization of women students who like to spend their leisure moments in singing. The Club sings at College gatherings. It appears also before the students of the high schools in the college district.

Men's Glee Club. The Men's Glee Club is an organization of young men who enjoy singing. The Club sings for its own amusement and the pleasure of others at college gatherings and elsewhere.

Hiking Club. The Hiking Club provides opportunity for students to enjoy the out-of-doors by hiking to some of the beautiful spots about Clarion. Occasionally a camp-fire serves as a fitting climax to an exhilarating hike.

Hostess Clubs. There are two Hostess Clubs at the College. Through them the young women are learning how to

Football Squad of 1935

Photo by Don Stubb
from the
1935 Yearbook

invite and receive guests, how to preside at table, and how to enjoy the amenities of social life.

The Industries Club serves the purpose of giving its members an opportunity to become familiar with some of the industries of Pennsylvania. Familiarity with an industry is gained by group discussion of the industry followed by a visit to some plant representative of that industry. The membership in the club is not confined by any prerequisites because it is believed that knowledge of the industries of Pennsylvania is an important contribution to the training of any teacher who is to teach in this Commonwealth.

National Childhood Education Association. The Clarion branch of the National Childhood Education Association conducts its meetings in the form of panel discussions. Reports and talks on many school subjects are given. Bibliographies are prepared and given to the members in meetings concerning materials, ideas, and various school topics.

Orchestra. The orchestra is voluntary. It affords students with musical talent an opportunity to indulge in the pleasures of music in association with others of like talent.

Outdoor Club. The Outdoor Club endeavors to become well acquainted with the out-door life of the vicinity of Clarion. Among its activities are week-end trips to Cook Forest.

Press Club. The Press Club was organized to create an interest in writing. Reports from the best magazines and newspapers, the biographies of celebrated editors, and modern tendencies in journalism represent the types of subjects presented for discussion in the meetings.

Sequelle. The Sequelle is the annual published by the students of the College. It records the activities of the College as seen by the student body.

The Purpose of the Student Activities is self-development. The responsibility for their success rests, then, on the shoulders of the students, and the activity or participation of the teacher is reduced to the minimum. The meeting of the club is one period in length for which provision is made on the regular daily schedule. Some clubs meet every week; others meet only every other week. Students may participate in one of the activities which meet

every week or in two of the activities which meet every other week. However, this regulation need not exclude participation in music or athletic activities if the student desires such activities.

THE SUMMER SESSION

The Summer Session is maintained for the benefit of regular college students as well as for teachers in service. By taking advantage of the summer session, teachers can secure the professional training needed to meet the requirements for standard certification. Advanced courses are offered in the summer session for the benefit of teachers who desire to do graduate work, or secure credits toward a degree in education. The latter phase is becoming more and more popular.

Because of its location and environment, Clarion makes a strong appeal to those who desire to combine work with recreation during the summer.

The Summer Session of 1936 will open on June 15 and close on July 25.

CORRESPONDENCE AND EXTENSION

No correspondence work has been given by any Pennsylvania State Teachers College since September 1, 1927, and no credit toward graduation is given for correspondence work secured after September 1, 1927, except that correspondence courses, commenced prior to July 1, 1927, are credited when completed within the time limits set by the institution giving the same.

All work completed by extension or correspondence, previous to September 1, 1927, is credited according to the regulations previously in effect.

No more than thirty-two semester hours of extension work shall be credited toward the requirements of the third and fourth years in a degree curriculum and this work shall be limited to the courses specified below:

American Literature	3 semester hours
History and Philosophy of Education	4 semester hours
American Government	3 semester hours
Teaching and Supervision of Arithmetic	3 semester hours

Civic Education in Elementary

Schools 3 semester hours

Visual Education 1 semester hour

No person who matriculates on or subsequent to September 1, 1926, shall be allowed to offer more than thirty-two semester hours of approved extension work in discharge of the requirement for the degree.

No credit shall be allowed for extension work in discharge of the requirements for the regular two-year certificate, the Standard Limited Certificate.

State Teachers Colleges may accept courses completed by extension in other institutions of collegiate grade, provided these courses are equivalent to the courses listed above, and subject to the limitations here provided for extension work; that is, extension courses will be accepted from other institutions only when such courses are offered by regularly employed full-time members of a college or university faculty.

Not more than twelve semester hours of extension credit shall be earned or credited within the limits of a college year.

PLACEMENT SERVICE

The Placement Service of the College cooperates with the Placement Service of the State Department of Public Instruction, Harrisburg, Pennsylvania, thus offering additional facilities for the placement of students and graduates.

The Placement Service assists school officials to secure competent teachers, and aids teachers to secure suitable positions in the field of service for which their training best fits them.

The Placement Service is in charge of C. F. Becker, Director of Teacher Training, who answers all inquiries and gives personal attention to school officials seeking competent teachers.

In order that the Placement Service may serve the interests of the students to the best advantage, students are requested during the time that they are doing their student teaching, to fill out a Registration Blank, giving personal information, such as the grades and subjects which they are prepared to teach and desire to teach, their preference as to the part of Pennsylvania in which they would like to teach, their experience in teaching, and other personal data

which superintendents of schools and school boards wish to know about candidates for positions.

The estimate of the College concerning the scholarship and teaching skill, conduct and general demeanor of students is often sought by school officials. The quality of the work done by students in college courses as well as in student teaching forms a most important element in the recommendation of students.

Students after graduation are urged to keep up their contacts with the College, in order that their Alma Mater may render further service not only in helping them to secure better positions but to assist them in every way possible.

HOW TO REACH CLARION

BY RAIL

Clarion may be reached from Pittsburgh by the Pennsylvania Railroad via Kittanning, Red Bank, and Summerville; from the North via Kane, Ridgway, Falls Creek, and Summerville; from the East via Driftwood, Falls Creek, and Summerville.

Connections on the B. & O. Railroad may be made from Pittsburgh, via Butler, Foxburg, and Clarion Junction or from the North through Mt. Jewett, Kane, and Clarion Junction.

BY MOTOR BUS

Clarion may be reached by motor bus from the East and West, two busses running each way daily. Motor busses from Clarion to Butler through Chicora and East Brady connect with similar lines at intermediate points. A bus line also operates via New Bethlehem between Kittanning and Clarion. Special rates are given to students.

LIST OF STUDENTS—1935-36

COLLEGE GRADUATES

Byers, Martha, New Wilmington Killmer, Lois, Tionesta

FOURTH-YEAR STUDENTS

Group I

Haley, Dorothy, Grampian Phillips, Ruth, Clarion
Wilhelm, Catherine, Clarion

Group II

Fowkes, Sara, Clarion Luce, Eileen, Oil City
Mahle, Bernice, Shippenville

Group IV

Burns, Henry, New Bethlehem	Keefer, Earl, Clarion
Byers, William, New Wilmington	Keefer, Gerald, Clarion
Chitester, Ruth, Sheffield	Kenemuth, Wayne, Clarion
Crawford, Isabel, Emlenton	Kenny, Joseph, Clarion
Ford, Willis, Brookville	Kunselman, Anna, Rimersburg
Fulton, Wayne, Clarion	Porter, Norman, Clarion
Geist, Robert, Clarion	Ritchie, Harry, Sigel
Giles, Phyllis, Tidioute	Rodgers, Ross, Kittanning
Hanst, Aida, Knox	Smith, Pauline, Lawsonham
Hess, George, McKeesport	Welch, Alice, Greenville
Hiwiller, Donald, Rimersburg	Young, Frank, Clarion
Kanengeiser, James, Clarion	

THIRD-YEAR STUDENTS

Group I

Boario, Dora, Leechburg Dunne, Betty, Bradford
Songer, Ellen, Sigel

Group II

Leech, Freda, Clarion Wilbert, Margaret, Rouseville

Group IV

Austin, Clyde, Clarion	James, Mary, Rimersburg
Brogan, Chester, Summerville	Johnston, Russell, Strattanville
Camiolo, Edward, Johnsonburg	Kaufman, Virginia, Clarion
Donhiser, John, New Bethlehem	Lidstone, Ruth, Clarion
Guthrie, Neal, DuBois	Martin, Helen, Clarion
Hess, Woodrow, Fryburg	Miller, Eugene, Turkey City
Imel, Charles, Clarion	Wright, Jane, Salt Lake City

SECOND-YEAR STUDENTS

Group I

Brogan, Jane, Summerville Knight, Dorothy, Knox

Carrier, Esther, Baxter
 Corbett, Ruth, Corsica
 Fox, Margaret, Reynoldsville
 Henry, Genevieve, New Bethlehem
 Klepfer, Mary, Summerville
 Knapp, Evelyn, Summerville

Kriner, Edna, Clarion
 Linn, Aimee, Emlenton
 Myers, Gretchen, New Castle
 McCall, Florence, Rimersburg
 McIntyre, Velma, Butler
 Smith, Betty, Falls Creek

Group II

Ammerman, Lettisia, Templeton
 Bedzyk, Mike, Ambridge
 Chamberlin, Helen, Brockway
 Craig, Catherine, Seneca
 Davis, Dorothy, East Brady
 Dills, Ustino, Strattanville
 Elder, Leota, Sligo
 Enslie, Milly, Oil City
 Flinchbaugh, Edna, Oil City
 Flynn, Thyra, Kersey
 Frazer, Sara, East Brady
 Geist, Mayne, Mayport
 Gilfillan, Byron, Rimersburg
 Groves, Jean, East Brady
 Harriger, Ruth, Falls Creek
 Hess, Laura, McKeesport
 Hetrick, Charles, Fairmount City
 Hunter, Henrietta, Oil City
 Jones, Alta, Brookville
 Keys, Margaret, Falls Creek
 Kline, Ruth, Clarion
